State may impose a penalty of a 5% reduction of total federal reimbursement per billing period for all billings or reports submitted more than 30 calendar days after the end of the billing period. An exception will be made for the final billing, which may be submitted up to 60 calendar days after the end of the final billing period, before becoming subject to the late penalty.

Fair market value shall be deemed to be the value of the property as determined by competent appraisal at the time of such misuse or withdrawal from use, and as approved by State. In the event of loss due to theft, casualty or fire, the damages paid by the insurance carrier or payable from a self-insured reserve account shall be considered fair market value. The service area shall be southern Cochise County, particularly the city of Bisbee.

The Contractor provides public transportation service in the service area, on a deviated-route, fixed schedule basis with limited route deviations to accommodate occasional, necessary curb-to-curb or door-to-door service.

**SECTION 3.     ROUTE AND SCHEDULES**

Routes and schedules shall be as described in the Contractor's approved application for funding.

If fare revenues fall below 17% of combined operating and administrative costs, the Contractor agrees to make up the difference from local funds.
